Tolls – all tolls are to be paid by Customer

- check before you leave if you need to get funds for tolls

Example – figuring trip estimate for trip hours (sample does not include trip miles)

The minimum trip charge for a 4-hour evening or non-school day trip using 2 vehicles = \$310.00 plus mileage, which is calculated start location to destination and back to start @ \$1.50/mile.

\$155.00 = 1 vehicle - Evenings, Holidays, weekends, summer (4 hr. minimum + 1 hr. vehicle prep fee)
